A crowd stood around you  
The night when I found you  
They each wanted you  
In the old homing waltz

Though you never knew me  
You smiled and came to me  
And I found you mine  
In the old homing waltz

This sweet melody  
That brought you to me  
Will linger forever  
In my memory

I found what I prayed for  
The arms I was made for  
That night when we danced  
To the old homing waltz
